

# Commuter Benefits: Parking Account

## Make your commute count

A Commuter Benefits Parking Account is an employer-sponsored account that allows you to use tax-free dollars to pay for eligible parking expenses. Eligible expenses include parking at or near your work location or at or near a location from which you commute using mass transit.

## It's easy to get started

During enrollment, you can elect to have up to \$280 per month withheld for your Parking Account. Funds are available as they are contributed to your account each payroll cycle.

## Payment options that work for you

- Use the Voya Health Savings and Spending Accounts debit card and avoid the need to file reimbursement claims.
- Pay parking fees out of pocket and get reimbursed. Parking claims need to be filed within 180 days from when they are incurred to be eligible for reimbursement.
