

Commuter Benefits: Transit Account

Make your commute count

A Commuter Benefits Parking Account is an employer-sponsored account that allows you to use tax-free dollars to pay for eligible transit expenses. Eligible expenses include public transportation such as train, bus, monorail, streetcar, subway, and ferry. This also includes services such as UberPool and Lyft Shared. Vanpool expenses are eligible, but the highway vehicle must seat at least six adults, excluding the driver.

It's easy to get started

During enrollment, you can elect to have up to \$280 per month withheld for your Transit Account. Funds are available as they are contributed to your account each payroll cycle.

Using your funds

Use the Voya Health Savings and Spending Accounts debit card. Per IRS guidelines, you must use your Voya debit card to purchase transportation passes or rides. You cannot purchase passes or rides with other methods and request a reimbursement.
